AMP #10 Program - Equipment Request

Alex Pace was a MOHA House League defenceman who loved the game and died after his battle with cancer in 2009 at the age of 12. Following his death, parents and players created a patch with Alex's initials and number which has been sold to teams with the funds raised directed towards hockey equipment for players approved for the President's Fund.

Funding from the AMP#10 Program will be dependent on the number of registrants and funds available.

If you intend to submit an application for AMP#10 funding, the application must accompany this application for Financial Assistance from the President's Fund.

Deadline For Submissions for Financial Assistance is the last Friday of August .
